# HARLEY-DAVIDSON<sup>®</sup>

## KNIVES

As anyone who rides a Harley<sup>®</sup> will tell you, a Harley-Davidson<sup>®</sup> is more than a motorcycle. It's a statement to the world of exactly where you stand. To a life less ordinary, where there's nothing between you, two wheels and a stretch of road that goes on forever.

This spirit of individualism is also the hallmark of those who appreciate a Benchmade. For over two decades, we've been committed to designing and manufacturing world-class sports cutlery. Our Harley-Davidson<sup>®</sup> Knives line-up combines leading innovation, sophisticated technology and superior materials.

The result is a collection of edged tools that are built for extreme performance.

Sharpen your ride.

## BENCHMADE<sup>®</sup>

### A leader in quality cutlery.

Our edged tools combine innovation, high technology, superior materials and a passion to make the best knives possible. You're not just buying a knife. You're buying a Benchmade.

### Mechanisms

Patented locking mechanisms like our AXIS<sup>®</sup> lock provide reliability and enhanced function.

### Materials

Premium blade steels and strong, durable handle materials are built to last.

### Manufacturing

Ultra-modern laser cutters and CNC machining centers offer the precision and control usually reserved for the aerospace industry.
